DOI 10.1007/978-3-319-32510-1_7

The original version of this chapter was published with two errors on page 43.

The words “small alanine to a larger leucine” on page 43 was corrected to read as “charged glutamate to a neutral valine”.

On the same page, in line 4 of figure caption 7.1, the words “in red” were replaced with the words “in turquoise”.

The updated original online version for this chapter can be found at
