The original version of the book was revised; the following corrections have been incorporated:

In Chapter “Anatomically Constrained Video-CT Registration via the V-IMLOP Algorithm”:

The acknowledgement text of the initially published paper was missing. It should read as follows:

This work was funded by NIH R01-EB015530: Enhanced Navigation for Endoscopic Sinus Surgery through Video Analysis and NSF Graduate Research Fellowship Program.

In Chapter “Identifying Patients at Risk for Aortic Stenosis Through Learning from Multimodal Data”:

The original version of this chapter was inadvertently published with incorrect author name “Yanrong Guo”. This should be changed to “Yufan Guo”. The correction to this chapter has been updated with the change.
