Advances in Human Factors in Simulation and Modeling,
AISC 780, <https://doi.org/10.1007/978-3-319-94223-0>

The original version of the book was inadvertently published with incorrect Figs. 3a and 3b in chapter “Classification Algorithms in Adaptive Systems for Neuro-Ergonomic Applications”, which have to be now corrected and an acknowledgment section has to be newly included in chapter “Approaches to Study Spine Biomechanics: A Literature Review”. The erratum book has been updated with the changes.

The updated online version of these chapters can be found at
