Correction to: Regulating Human Embryonic Stem Cell in China

Correction to:

**L. Jiang, *Regulating Human Embryonic Stem Cell in China*,
<https://doi.org/10.1007/978-981-10-2101-5>**

In the original version of the book, the following corrections have been incorporated:

1. In Chapter 4, Footnote 50 has been changed from “President Bush announced a moratorium on the federal funding of stem cell research, China, as some other countries in Asia (India, Singapore, South Korea, Japan and Taiwan)” to “President Bush announced a moratorium on the federal funding of stem cell research, China as some other countries in Asia (India, Singapore, South Korea, Japan)”.
2. In the Back Matter, the reference “Margaret Sleeboom Faulkner and Seyoung Hwang, ‘governance of stem cell research: public participation and decision making in China, Japan, South Korea and Taiwan’ (2012) 42 Social Studies of Science 684” has been removed.

The book has been updated with the changes.

The updated version of the book can be found at
