Correction to: Influence Maximization Based on Community Closeness in Social Networks

Qingqing Wu, Lihua Zhou, and Yaqun Huang

Correction to:

Chapter “Influence Maximization Based on Community Closeness in Social Networks” in: L. H. U et al. (Eds.): *Web Information Systems Engineering*, CCIS 1155, https://doi.org/10.1007/978-981-15-3281-8_13

The originally published version of the paper on p. 142 contained several inaccuracies in the content and references. To achieve better understanding the following corrections were made:

Reference 22 has been added as “Lancichinetti, A., Fortunato, S., Kertész, János.: Detecting the overlapping and hierarchical community structure in complex networks. *New J. Phys.* **11**(3), 033015 (2009).”;

Minor typographical errors were corrected on the pages 2, 3, 10, 11, 12;

Page 4: the set of elements in the third paragraph has been changed from “ $v \in C_j$ ” to “ $i \neq j$ ”;

Page 8: in the Algorithm 1 the line “6: calculate inter-community influence” has been changed to “6: calculate community influence”.
