Correction to: Contesting the Neoliberal Discourse of the World Class University: ‘Digital Socialism’, Openness and Academic Publishing

Michael A. Peters and Tina Besley

Correction to:
Chapter 14 in: S. Rider et al. (eds.), *World Class Universities, Evaluating Education: Normative Systems and Institutional Practices*, https://doi.org/10.1007/978-981-15-7598-3_14

The chapter was inadvertently published with one of the authors' name incorrectly spelled as "Hazelhorn" instead Hazelkorn in the chapter citation and reference.

The author's name has been corrected by replacing "h" with "k" in the name "Hazelkorn" and updated as "Hazelkorn & Gibson 2017".

The updated online version of the chapter can be found at
