Correction to: Avian Influenza in Human

Correction to: C. Qiu et al. (eds.), *Avian Influenza in Human*, [https:// doi.org/10.1007/978-981-16-1429-3](https://doi.org/10.1007/978-981-16-1429-3)

The book has been inadvertently published with errors in chapters 1, 2, 3, 4, 5 and 16

In chapter 1, the below corrections have been updated

On page 1, the previous text "...strain of avian viruses in southern China..." has been changed to "...strain of avian influenza viruses in southern China..." and also "China mainland" to "China's mainland"

On page 4, the previous text "...stimulate CD8⁺T cells..." has been changed to "...stimulate CD8⁺T cells..."

In chapter 2, the below corrections have been updated

On page 9, "Mainland China" to "China's mainland"

On page 10, the previous text "(including Turkey,...)" has been changed to "(including turkey,...)"

In chapter 3, the below corrections have been updated

On page 19, the previous text "...performed by KatZJM et al." has been changed to "...performed by Kat ZJM et al."

On page 22, the previous text "The influenza virus is an..." has been changed to "The avian influenza virus is an..." and also the previous text "...commonly used for influenza virus..." has been changed to "commonly used for avian influenza virus..."

On page 27, the previous text "...outcome inhuman disease..." has been changed to "...outcome in human disease..." and also the previous text "...influenzaAH7N9..." has been changed to "...influenza A H7N9..."

In chapter 4, the below corrections have been updated

On page 31, the previous text CD4⁺T, CD8⁺T has been changed to CD4/CD8, and also the previous text CD4⁺T, CD8⁺T has been changed to CD4⁺/CD8⁺T cells

On page 34, the previous text "(Reye's Syndrome..." has been changed to "(Reye's syndrome..."

On page 36, Fig 4.4 and Fig 4.5 have been swapped

On page 37, the previous text "CD3, CD4, CD15, CD8, CD20, CD68" has been changed to "CD3⁺T cells, CD4⁺T cells, CD15⁺T cells, CD8⁺T cells, CD20⁺T cells, CD68⁺T cells"

On page 38, in legend of Fig 4.11, the previous text "The CD8..." has been changed to "The CD8⁺T cells..."

On page 39, the legend of Fig 4.19 has been changed to "In situ expression in pulmonary tissues in human infected with H7N9 avian influenza; positive signals are in blue, with stronger staining in nucleus than in the plasma, in situ hybridization ×400"

In chapter 5, the below corrections have been updated

On page 41, the previous text "...CD4⁺/CD8⁺ ratio..." has been changed to "...CD4⁺/CD8⁺T cells..."

On page 44, in Table 5.1, the previous text H2N7 has been changed to H7N7

In chapter 16, the below corrections have been updated

On page 187 "China mainland" to "China's mainland"

The updated versions of the chapters can be found at

In chapters 1, 2, 6, 7, 15, 16, the affiliation of author Chen Qu has been changed from “Department of Respiratory and Critical Medicine, Shenzhen People’s Hospital (The Second Clinical Medical College, Jinan University, The First Affiliated Hospital, Southern University of Science and Technology), Shenzhen, Guangdong, China” to “Department of Respiratory Diseases, Shenzhen People’s Hospital, The Second Clinical Medical College of Jinan University, The First Affiliated Hospital of Southern University of Science and Technology, Shenzhen, Guangdong, China”.

In chapters 4, 6, 7, the affiliation of author Shi-pin Wu has been changed from “Department of Infectious Diseases, Shenzhen People’s Hospital (The Second Clinical Medical College, Jinan University, The First Affiliated Hospital, Southern University of Science and Technology), Shenzhen, Guangdong, China” to “Department of Infectious Diseases, Shenzhen People’s Hospital, The Second Clinical Medical College of Jinan University, The First Affiliated Hospital of Southern University of Science and Technology, Shenzhen, Guangdong, China”.

In chapters 8, 14, the affiliation of author, Jin-ping Wu has been changed from “Department of Radiology, Third People’s Hospital of Changzhou City, Changzhou, Jiangsu, China” to “Department of Radiology, Third People’s Hospital of Changzhou, Changzhou, Jiangsu, China”.

In chapter 14, the affiliation of author Wei Huang has been changed from “Bacteriology and Antibacterial Resistance Surveillance Laboratory, Shenzhen Institute of Respiratory Diseases, Shenzhen People’s Hospital (The Second Clinical Medical College, Jinan University, The First Affiliated Hospital, Southern University of Science and Technology), Shenzhen, Guangdong, China” to “Bacteriology & Antibacterial Resistance Surveillance Laboratory, Shenzhen Institute of Respiratory Diseases, Shenzhen People’s Hospital, The Second Clinical Medical College of Jinan University, The First Affiliated Hospital of Southern University of Science and Technology, Shenzhen, Guangdong, China”.

In chapter 4, the affiliation of author Xiao-hua Le has been changed from “Department of Pathology, Shenzhen Third People’s Hospital, Shenzhen, Guangdong, China” to “Department of Pathology, The Third People’s Hospital of Shenzhen, Shenzhen, Guangdong, China”.

In chapter 5, the affiliation of author Wan-shui Shan has been changed from “Department of Clinical Laboratory, Shenzhen Third People’s Hospital, Shenzhen, Guangdong, China” to “Department of Clinical Laboratory, The Third People’s Hospital of Shenzhen, Shenzhen, Guangdong, China”.

In chapters 10, 12, the affiliation of author Fei shi has been changed from “Emergency Department, Institute of Shenzhen Respiratory Diseases, Shenzhen People’s Hospital (The First Affiliated Hospital of Southern University of Science and Technology, The Second Clinical Medical College of Jinan University), Shenzhen, Guangdong, China” to “Emergency Department, Institute of Shenzhen Respiratory Diseases, Shenzhen People’s Hospital, The Second Clinical Medical College of Jinan University, The First Affiliated Hospital of Southern University of Science and Technology, Shenzhen, Guangdong, China”.

In chapters 6, 16, the affiliation of author Dong-na Su has been changed from “Department of Infectious Diseases, Shenzhen People’s Hospital (The Second Clinical Medical College, Jinan University, The First Affiliated Hospital, Southern University of Science and Technology), Shenzhen, Guangdong, China” to “Department of Infectious Diseases, Shenzhen People’s Hospital, The Second Clinical Medical College of Jinan University, The First Affiliated Hospital of Southern University of Science and Technology, Shenzhen, Guangdong, China”.

In chapters 2, 7, 13, the affiliation of author Dong-na Su has been changed from “Shenzhen Institute of Respiratory Diseases, Shenzhen People’s Hospital (The Second Clinical Medical College, Jinan University; The First Affiliated Hospital, Southern University of Science and Technology), Shenzhen, Guangdong, China” to “Shenzhen Institute of Respiratory Diseases, Shenzhen People’s Hospital, The Second Clinical Medical College of Jinan University, The First Affiliated Hospital of Southern University of Science and Technology, Shenzhen, Guangdong, China”.
