In the above article on p. 429, unfortunately the uncorrected version of Fig. 6 was printed. The correct figure is reprinted below:

Fig. 6. Northern blots of the ABA-induced landform clone *Ric 1* of *Riccia fluitans* hybridized to total RNA (20 µg) of submerged thalli which were subjected to 10^{-6} M ABA for different time intervals (A) or transferred to terrestrial conditions for the same time (B) 16 S and 25 S, see Fig. 5
