Society News

1. Council Meeting

A meeting of the Executive Committee of the S.G.A. took place in Munich on February 14th, 1972. At this conference, the votes for the election of the new Executive Committee for 1972 have been evaluated. The names of the new Executive Committee have already been published in *Mineralium Deposita* Vol. 7, Nr. 1.

The President announced that the former members Mr. Krol, Mr. Bernard and Mr. Saupé have withdrawn from the Executive Committee on May 1st, 1972. He expressed thanks and appreciation of S.G.A. for the efforts and the interest which they have paid to S.G.A. for the past 6 years. He also thanked Mr. Amstutz, who had engaged himself with patient efforts and great success in the establishment and development of *Mineralium Deposita*. It is the initiative of Mr. Amstutz that *Mineralium Deposita* has reached international recognition within a short time.

The President also expressed his thanks to Mr. Maucher, who had been Vice-President of the Executive Committee since the foundation of S.G.A. Mr. Maucher has now taken over the burden of the Managing Editor.

2. General Assembly, Montreal, 24 August 1972

During the XXIV International Geological Congress a General Assembly of the Society for Geology Applied to Mineral Deposits will take place in Montreal, Canada, Sheraton-Mount Royal Hotel in the Gaspé Room on Thursday, August 24th, 1972 at 15 hours. A meeting of the Executive Committee will be held at 14.00
