Erratum

Stance dependence of automatic postural adjustments in humans

J.M. Macpherson, F.B. Horak, D.C. Dunbar, and R.S. Dow

Exp Brain Res (1989) 78:557–566

Due to a printers error, R.S. Dow was named as a co-author in the above article; this is not the case. The footnote “Present address ...” applies to D.C. Dunbar.

Announcements

Vienna Satellite Symposium on Sensory Neuropathies, Vienna, Austria, September 22–23, 1990

Joint meeting of the Austrian Muscular Dystrophy Association and the Austrian Societies for Neuroimmunology and Neuropathology.

This symposium is designed to give insight into particular properties of sensory neurons and their dysfunction in experimental and human diseases of sensory pathways. Leading experts will discuss recent developments and diagnostic methods.
