Changes in Regional and Overall Lung Function After Bronchography*

M. Richez, P. Ravez, G. Godart, J.L. Halloy, and Y. Robience

Hôpital de Warquignies, Service de Pneumologie, Boussu, Belgium

Eur. J. Nucl. Med. 5, 447-480 (1980)

On pp 479, 480 the paragraphs appeared in the wrong order.

The last two paragraphs on p 480 beginning with "Although the third hypothesis is the most likely ..." should be inserted on p 479, second column, before the paragraph beginning with "A second explanation may be that".
