Erratum

Assignment of human ferritin genes to chromosomes 11 and 19q13.3→19qter

M. Worwood¹, J.D. Brook², S.J. Cragg¹, B. Hellkuhl⁴, B.M. Jones¹, P. Perera¹, S.H. Roberts³, and D.J. Shaw²

Hum Genet (1985) 69:371–374

Due to an unfortunate error, a part of the note added in proof was incorrect. It should have read as follows:

Note added in proof

We have shown that hybrids containing chromosome 1 but not chromosome 11 did not contain human H-type ferritin (Cragg et al. in preparation).
