Evan M. McIntosh · Jens Looser · Robert H. Haynes
Ronald E. Pearlman

***Mlu* site-dependent transcriptional regulation of the *Candida albicans* dUTPase gene**

Curr Genet (1994) 26: 415–421

There were two unfortunate printing errors in the above article:

1. The host institution is *York University* and not *University of York*.
2. The present address of the second author, Jens Looser, should have been:

Present address: Department of Molecular and Medical Genetics, University of Toronto, Toronto, Ontario, Canada M5S 1A8
