Erratum

Neuroradiology (1987) 29: 348-353

Long term follow-up of 43 pure dural arteriovenous fistulae (AVF) of the lateral sinus

M. Fermand, D. Reizine, J. P. Melki, M. C. Riche, and J. J. Merland

Department of Neuroradiology and Therapeutic Angiography, Lariboisière Hospital, Paris, France

Due to an unfortunate error, the placement of Fig. 2 and Fig. 5 was reversed.
