Erratum

The ecology of Lake Nakuru (Kenya)

V. Production and consumption of consumer organisms

E. Vareschi and J. Jacobs

Oecologia (Berlin) (1984) 61:83–98

On page 92, right column, a calculation error occurred. Line 21 ff. should read:

50 μ of *Spirulina* correspond roughly to $8 \cdot 10^{-7}$ cal. This means that *B. plicatilis* could not get its daily ration of energy from *Spirulina* even if a high assimilation efficiency is assumed.
