Erratum

The effect of varying nitrogen and phosphorus availability on nutrient use by *Larrea tridentata*, a desert evergreen shrub

Kate Lajtha and Melanie Klein

Oecologia (Berlin) (1988) 75:348–353

The values along the x-axis of fig. 1 should be multiplied by 10; the correct axis should run from 0.4 to 250, not .04–25, thus making N:P solution ratios agree with values in Table 1.
