Erratum

Cloning of *Clostridium acetobutylicum* genes and their expression in *Escherichia coli* and *Bacillus subtilis*

Irène Efstathiou and Nicole Truffaut

Unité des Anaérobies, Institut Pasteur, 25, rue du Dr-Roux, F-75724 Paris Cedex 15, France

Mol Gen Genet (1986) 204:317–321

In the sections headed “Complementation of auxotrophs” and “Transformation of a *Bacillus subtilis* strain for leucine prototrophy” as well as in the final paragraph of the paper, α isopropyl malate dehydrogenase should read β isopropyl malate dehydrogenase.

Also in section on “Complementation of auxotrophs”, α glutamyl phosphate reductase should read γ glutamyl phosphate reductase.
