Pflügers Arch (1984) 400:1–7

An unfortunate mistake occurred concerning *Skandinavisches Archiv für Physiologie*, which was succeeded by *Acta Physiologica Scandinavica* only in 1940. Therefore, the statement in parentheses on page 2, line 7, in the right column should read as follows:
(to last only until 1940).

Please insert this correction in the original text of the Preface.
