Voltage Clamp Experiments on Frog Atrial Heart Muscle Fibres with the Sucrose Gap Technique

O. ROUGIER, G. VASSORT, and R. STÄMPFLI

Pflügers Archiv 301, 91—108 (1968)

Page 93, 7th line from the bottom: for $100\ \Omega$, read $K\ \Omega$.

Fig. 6 on page 99 is upside down.

Bibliography: Title of the work by ROUGIER, O., et al., 1968:

Analyse qualitative en voltage imposé du courant de membrane de la fibre musculaire squelettique.

Guy Vassort's adress is not Laboratoire de Physiologie Companie, but Laboratoire des Physiologie Comparée. Please correct on page 108.
