Announcement

Sertürner Prize 1985

As in previous years, the *Sertürner Society* is awarding the Sertürner Prize for breakthroughs in the field of "*Physiology, Pathophysiology, Pharmacology, and Therapy of Pain*". The prize of DM 10,000 (ten thousand) has been donated by Smith Kline Dauelsberg (Göttingen/Munich, FRG) and will be presented on 25 October 1985 during the *Second International Symposium in Einbeck*.

The winner will be chosen by a panel of internationally recognized anaesthesiologists and representatives from associated areas.

Eligible is any original work written in English or German sent in on or before 1 September 1985 (date of postmark), including work published in 1984/1985.

Address for rules and entries:

Prof. Dr. A. Doenicke
Anaesthesieabteilung der Chirurgischen Universitäts-Poliklinik
Pettenkoferstraße 8a
D-8000 München 2
Federal Republic of Germany

Erratum

Eur J Clin Pharmacol (1985) 27: 671–675
