A Note on State-Constrained Optimal Control¹

G. LEITMANN²

The following misprints should be noted in the paper published in JOTA, Vol. 7, No. 3, 1971:

- (a) On line 16 of page 209, the term $g \in C^n$ should be $g \in C^{q+1}$.
- (b) On the bottom line of page 209, the term $f \in C^1$ should be $f \in C^q$.
- (c) Equation (9) on page 210 should be $\nabla_u g^i(\hat{x}, u) = 0$.
