ERRATA CORRIGE

World Dynamics: An Optimization Study of the Pollution Subsystem

L. MARIANI¹ AND B. NICOLETTI²

Abstract. The omission of a bibliographical reference in Ref. 1 is corrected.

Key Words. Global dynamics, singular optimal control, Green's theorem.

The authors of Ref. 1 would like to make a belated reference to the author of Ref. 2. This reference was of use to the authors of Ref. 1 in the preparation of their paper. The oversight is regretted.
