Abstract. A correction to Ref. 1 is given.

Key Words. Pursuit, evasion, game theory, strategies, payoff functions.

In Ref. 1, page 280, bottom line, the words "the pursuer" should be replaced by the words "the evader which is the last to be covered by the union of the expanding disks of the pursuers." In Theorem 2.1, replace "every complete" with "every locally compact and complete."
