ERRATA

In their article "On defective nonasymptotic values of first order meromorphic functions" (Sib. Matem. Zh., 10, No. 3, pp. 345-348 (1969)) the authors, F. A. Baraket and A. A. Gol'dberg, permitted errors. On p. 345 in the definitions of the functions $L_1(r)$ and $L_2(r)$ we need to replace $L_1(r)$ by $L_2(r)$ and vice versa. On p. 348, in (9) we need to place the factor $\pi/2$ in front of $\sqrt[4]{\ln_4 r}$ and $\sqrt{\ln_4 r}$. On p. 348 the expression

$$\exp \left\{ \left(1 + O \left(\frac{1}{\ln_3 r} \right) \right) (\ln_4 r)^{-1/4} (\ln r) \right\}$$

needs, everywhere, to be replaced by

$$\exp \left\{ (1 + o(1)) \frac{2}{\pi} (\ln_4 r)^{-1/4} (\ln r) \right\}.$$
