ERRATUM

The following figure 1 continuation originally appeared on page 2534 of Journal of Chemical Ecology, Volume 17, Number 12 (December 1991) in the article, "Electroantennogram Responses of the Southern Pine Beetle Parasitoid *Dinotiscus dendroctoni* (Ashmead) (Hymenoptera: Pteromalidae) to Potential Semiochemicals" by S. M. Salom, G. Birgersson, T. L. Payne, and C. W. Berisford. The continuation of figure 1, "Mean percent EAGs $\pm$ SE from *Dinotiscus dendroctoni* to bark beetle pheromones and tree-produced volatiles, relative to EAG responses by each sex to the standard mixture of oxygenated monoterpenes. Each concentration was presented as 5 μ l aliquots," appears here with its proper headings.
