Erratum

W. W. AMBROSE & M. E. McNEILL, *Histochem. J.* **10** (1978), 711–720

The caption to Figure 3 in the above paper was incorrectly printed. The correct caption is shown below with the figure.

Figure 3. Graph comparing the average number of cell fragments in each colour category, counted in four ganglia, to their diameter. Note that all the colour categories have very similar mean diameters. Also each category has cells in a wide range of diameters.
