ERRATUM

In the article entitled "An Experimental Investigation of the Modifiability of the Temporal Structure of Spontaneous Speech" by Geoffrey W. Beattie and R. J. Bradbury (Volume 8, Number 3, pp. 225–248), the quote on page 243 concerning "the knowledge of illness" and "Sauce Bernaise" is from Seligman (1970) and not from Spielberger (1962). Also, in the last line of the same page, r^s should read r_s .
