ERRATA

To the article by A. A. Lodkin, "Every Measure on the Projectors of a W^* -Algebra Can Be Extended to a State," Funktsional'. Analiz i Ego Prilozhen., 8, No. 4, 318-320 (1974).

In Sec. 5, p. 320, the semifiniteness conditions for the measure m should read: If P and Q are projections such that $m(P) < +\infty$, $m(Q) < +\infty$, and $\|PQP\| < 1$, then $M(PVQ) < +\infty$.

Ignore previous Erratum referring to this item in Funktsional'. Analiz i Ego (Prilozhen., 9, No. 2, 182 (1975)).
