ERRATUM

We hereby correct an error that was made in our November 1992 publication entitled "Mapping Quantitative Trait Loci for Behavioral Traits in the Mouse," by T. E. Johnson, J. C. DeFries, and P. D. Markel (*Behavior Genetics*, Vol. 22, pp. 635–653). We erroneously described the source of the GABA_Aα-1-containing plasmid as J. Sikela; it was

actually obtained from Dr. Wendy J. Keir, who originally detected the restriction fragment length polymorphism described in Fig. 3 of the paper and helped us in our initial efforts to detect these differences. We regret the failure in attribution and acknowledgment. A jointly authored paper (Keir, Greenlee, and Johnson, in preparation) will present the results of this study in more detail.
