Erratum

In *Transition Met. Chem.*, 13, 64–68 (1988) “Unsymmetrical bis-Schiff bases derived from ethylenediamine, dehydroacetic acid and another aldehyde/Ketone and the preparation and characterisation of their copper(II) and nickel(II) complexes.” The authors names should have read as follows:

Sau-Fun Tan, Kok-Peng Ang, Harilakshmi Jayachandran,
Chemistry Department, National University of Singapore, Singapore

In *Transition Met. Chem.*, 13, 340–342 (1988) “Solvent effect on rate and mechanism of oxidation of chromium(III) by periodate.”

Ahmed A. Abel-Khalek

Chemistry Department, Faculty of Science, Cairo University, Beni-Suef City, Egypt

Mahmoud M. Elsemongy

Chemistry Department, Faculty of Education, Umm Al-Qura University, Al-Taif City, Shihar, Saudi Arabia

The following two figures should have appeared as referenced in the text:

Figure 1. A plot of $\log k_2$ against D^{-1} .

Figure 2. Variation of the rate of reaction with $[H_2O]/[S]$ at $25^\circ C$.
