The local invariant factors of a product of
holomorphic matrix functions: The order 4 case
IEOT (1993), Volume 16, Number 2, 277-304

In the contents page of IEOT (1993), volume 16, number 2, a comma was inserted in the middle of the author's name, giving the erroneous impression that there are two authors to this paper. The error occurs also in the running heads throughout the paper.
