Hofer's L^∞ -geometry: energy and stability of Hamiltonian flows, part I

F. Lalonde, D. McDuff

Invent. math. 122, 1–33 (1995)

The above article unfortunately contained the following error which was introduced when it was processed for printing.

On pp. 2, 5, 7, 9, 10, 11, 21, 23, 26, 31 a double 1, the symbol the authors used for the identity map, was changed to an italic number 5.

The publisher deeply regrets this mistake.
