ERRATUM

The figure appearing on page 196 of "An Equity-Based Model of Vandalism" by Jeffrey D. Fisher and Reuben M. Baron in the 5(3), Fall 1982 issue of *Population and Environment* was incorrect. The correct version, with additions made to the two boxes on the far right, appears below.

Figure 1. A flow diagram of the processes implicated in an equity-based model.

NOTE: The above should be read as a temporal flow of events: not a causal model.
