Corrigendum

Lucjan T. Orlowski: Direct transfers between the former Soviet Union central budget and the republics: Past evidence and current implications, *Economics of Plannings* **28**: 59-73, 1995.

Due to a technical error, on pages 66 and 68 the names of the republics of the former Soviet Union were left out (Tables II and III). To correct this error, we reprint the complete pages.
