Erratum

In the paper "Demonstration of an IgG-Fc-Receptor in Ratscytomegalovirus Infected Cells" by C. A. BRUGGEMAN *et al.* [Arch. Virol. **81**, 79—89 (1984)] the legend to Fig. 2c is incorrect and should be read:

Appearance of intracytoplasmic and intranuclear inclusions in cells infected with RCMV 24 hours p.i. by the indirect fluorescence technique using antiserum against RCMV prepared in rats (exposure time: 20 seconds Kodak 400 Asa) ($\times 400$)
