Importance of long-range electron-phonon coupling in high- T_c superconductors

R. Zeyher

Max-Planck-Institut für Festkörperforschung, Heisenbergstrasse 1, W-7000 Stuttgart 80, Federal Republic of Germany

Due to a computational error in the integral in eq. (18) the value for λ given on page 190 is too small by a factor of two, i.e., the correct λ is equal to 4.72 and not to 2.36. The prefactor of the last term on the right-hand side of Eq. (16) should also read $1/4$ and not $1/16$.
