Corrigendum

Mar. Biol. 103, 481–487 (1989) P. Silan, C. Maillard:

Biology of *Serranicotyle labracis*, ectoparasite of *Dicentrarchus labrax* (Teleostei):
contribution to the study of its populations.

On p. 482 of the above contribution, a printing error was made in Eq. (1). This should
read as follows:

$$S_i = \sum_{k=\frac{(i-1)n}{5}+1}^{\frac{in}{5}} S_{T_{f_k}}, \quad (1)$$

Also on p. 482, Fig. 1: frequency is in arbitrary units, *not* in percentages.
