Erratum

Elastic Scattering at Large t

A. Donnachie, P. V. Landshoff

Z. Physik C, Particles and Fields **2**, 55 (1979)

Figure 5 was interchanged with Fig. 8 during printing. The captions are correct as they stand. Also, the diagram of Fig. 9 vanishes identically when the colour summation is performed. However, there are other diagrams that behave as t^{-9} ; see C. J. Burrows (in preparation).
