Correction

to contribution P. Vas: Extension of the Unified Theory of Electrical Machines:
Space Harmonic Effects in 3-phase Slip-ring Induction Motors. Arch. Elektrotech. 63 (1984) 63—67.

Due to a misprint, in Eq. (5) the ϕ operators have been omitted after all $\overline{M}_s$ and $\overline{M}_r$ inductances, correctly $\overline{M}_s\phi$ and $\overline{M}_r\phi$ should stand.

In Eq. (15), the last i_{s0} should be replaced by i_{r0} .
