Erratum

Spontaneous Breaking of Anti-de Sitter Supersymmetry

S. Bellucci

Elementary Particles Group, Department of Physics and Astronomy, University of Maryland, College Park, MD 20742, USA

Z. Phys. C – Particles and Fields **33**, 551–560 (1987)

The equations at the end of page 553 and at the beginning of page 554 should read as follows:

$$\begin{aligned} S_{DS} = & m G_0 + i \not{h} \frac{\partial G_0}{\partial \mu} - i a^2 \not{h} \frac{\partial}{\partial m^2} \frac{\partial}{\partial \mu} G_0 \\ & - i \not{h} a^2 m^2 \frac{\partial^2}{(\partial m^2)} \frac{\partial}{\partial \mu} G_0 - m a^2 \frac{\partial G_0}{\partial m^2} \\ & - m^3 a^2 \frac{\partial^2 G_0}{(\partial m^2)^2} + \mathcal{O}(a^3), \end{aligned}$$

$$\mathcal{G}_{DS} = G_0 - a^2 \frac{\partial G_0}{\partial m^2} - a^2 m^2 \frac{\partial^2 G_0}{(\partial m^2)^2} + \mathcal{O}(a^3).$$
