Between the Sexes," 113

Zilberman, David B. (book review)

A Social Portrait of the Soviet Intelligentsia, 277

Erratum

We regret that an error appeared in the article by Magoroh Maruyama in Vol 5, No. 1. On page 83, the sentence which begins on the ninth line from the bottom should read:

The chances of getting 1,000 heads out of 1,000 coins are very small, even though such a possibility exists.
