Erratum

Multilocus Enzymes, Gene Regulation, and Genetic Sufficiency

Emile Zuckerkandl

J. Mol. Evol. 12, 57–89 (1978)

Pages 74 and 75, which were accidentally inverted during the process of printing, are to be read in reverse order.

Page 77, line 5 from the bottom of the page, read: "Genetic sufficiency is thus all-or-none," instead of "Genetic insufficiency.....".
