Correction of the paper on "Alterations in rat myocardial mechanics under Goldblatt hypertension and experimental aortic stenosis" (*A. Kämmerleit* and *R. Jacob*) which appeared in "Basic Res. Cardiol." **74**, 389–405 (1979).

In order to correct an error in translation, the wording of the second sentence in the last paragraph on page 402 must be changed to:

As has been pointed out elsewhere, this reduction should not necessarily be considered as an indication of cellular impairment and impending failure of the contractile function, since a muscle of the slow type is not principally inferior to a muscle of the fast type (24).
