The followings should be corrected:

1. Page 28: Formula should read

$$W_r(t+1) = W_r(t) + l_{\text{rate}}(t) \times h_{\text{rs}}(t) \times d[X, W_r(t)] \quad (1)$$

2. Page 29: Third paragraph ("as noted above..."). Line number 6: it reads "to 1985 (data set III)". It should read "to 1985 (data set II)".
3. Page 32, last paragraph, line number 4: It reads "mcg, f,(k)→"ln" it should read "m, g, f(k)→"ln"
4. Pages 33, 34, 35, 36 and 37. Figures are interchanged. Thus map in Figure 3 should be placed in Figure 4 and map in Figure 4 should be placed in Figure 3. Please move only the maps, not the headings of Figures. Map in Figure 5 should be placed in Figure 6 and viceversa. Map in Figure 7 should be placed in Figure 8 and viceversa. Map in Figure 9 should be placed in Figure 10 and viceversa.
