Erratum

C.H. Chan, W.C. Diner, E. Fontenot
and B.D. Davidson

Gastrointestinal Radiology **10**:378–382 (1985)

On page 378, the second sentence of the article proper should read:

The conventional method (standard preparation) of cleansing the colon at our hospitals consists of administration for 48 hours of clear liquids, followed by laxatives and enemas the day prior to the examination.
