ERRATUM

In the article by Douglas Cullinan, Robert M. Schultz, Michael H. Epstein, and Jerry F. Luebke, "Behavior Problems of Handicapped Adolescent Female Students" (Vol. 13, No. 1, 1984, pp. 57-64), the designations in Fig. 1 (p. 62) for the third and fourth bars in each dimension were reversed. The third bar should be taken to represent the scores for learning disabled (LD) students, the fourth bar scores for behaviorally disordered (BD).
