Errata

In the article by Marianne A. Paget, "Experience and Knowledge," which appears in Volume 6, Number 1, 1983, the first sentence of the third paragraph on page 72 should be corrected to begin: "Just as puzzling as the logic and movement of her reply is the opposition . . ." The first sentence of the fourth paragraph on page 77 should be corrected to read: "The transcript does not have the surface texture of a survey interview or a casual conversation." The final sentence on page 77 should be corrected to begin: "They constrain replies . . ."
