

Errata

The following is a list of corrections for the paper “Tracking and Force Control for a Class of Robotic Manipulators” by E. Reithmeier and G. Leitmann in Volume 1, Number 2, May 1991 of *Dynamics and Control*.

Page 137, second line following equation (4):

velocity of body (i),

Page 143, line one:

on the surface of the operated-on object,

Page 145, fourth line following equation (48):

The operated-on object is a horizontal planar table.

Page 145, fourth line before equation (49):

only case 2 is discussed

Page 145, third line before equation (49):

details and case 1 can be found elsewhere [17].

Page 150, Reference 17 should read:

to appear in Zeitschrift für Regelungstechnik (renamed Automatisierungstechnik),
Karlsruhe,
