Erratum

In the article by Michael Linden, Thomas Habib, and Vesna Radojevic, entitled "A Controlled Study of the Effects of EEG Biofeedback on Cognition and Behavior of Children with Attention Deficit Disorder and Learning Disabilities," appearing in the March 1996 issue (Volume 21, Issue 1), the captions for Figures 1 and 2 were inadvertently reversed. We regret this error. The caption for Figure 1, page 44, should read "EEG Biofeedback Effects on K-BIT IQ Composite Scores." The caption for Figure 2, page 45, should read "EEG Biofeedback Effects on Inattentive Behavior."
