Erratum

The article by Stanislaw J. Konturek, "Gastrin-Like Pentapeptide I.C.I. 50 123: A Potent Gastric Stimulant in Man," (*Amer J Dig Dis* 12:285, 1967) contained an error. The first and second paragraphs should read that aspartic acid, not asparagine, is contained in C-terminal tetrapeptide and in I.C.I. 50 123, respectively.
